

Mica Mountain Snowmobile Economic Survey

Ministry of environment want the Mica Mountain snowmobile area closed due to potential disturbance and displacement of Mountain Caribou. If 20 people snowmobile there, it's closed. If 600 people snowmobile there and it represents a significant socioeconomic factor to our community it'll stay open and be managed jointly by MOE and snowmobilers.

We need your help. Please fill out this economic and snowmobiling form. Return to any snowmobile dealer Exeter Sporting Goods and or Exeter Forest & Marine.
